

Back-to-School Supply Drive

4 WAYS TO SET STUDENTS UP FOR SUCCESS IN THE 2024–25 SCHOOL YEAR!

Local students need your help so they don't go back to school without the resources they need to thrive. Fuel 4 School is the annual school supply drive for Treasures 4 Teachers. Arizona families struggling to put food on their tables cannot prioritize purchasing school supplies, leaving teachers to spend up to \$1200 of their own pockets to provide for the students. **Your help will prepare more than 8,000 teachers and 240,000 students for back to school.**

Consider:

Setting Goals—Set a school supply or financial goal for yourself or your organization to increase participation.

Encouraging Competition—Challenge floors/departments/families on your team to donate more funds or supplies than others and assign a different school supply for each group.
